Dalaran Fishing Daily: Monsterbelly Appetite

Version Updated For Patch 3.2 / Wrath of the Lich King

Overview

- **What to catch:** Bloated Monsterbelly. This contains a Severed Arm, which must be delivered to Olisarra the Kind (First Aid Trainer in Dalaran).
- **Where to catch it:** The Frozen Sea (open water or Deep Sea Monsterbelly School).
- **Skill required:** 575 to fish without junk.

This guide was made to show you the easiest and most convenient place to catch the bloated monsterbelly for the Dalaran fishing daily Monsterbelly Appetite.

Step 1

From Dalaran at the Flight Master Aludane Whitecloud fly to the Flight Path in Moa'ki in Dragonblight. If you do not have the Flight Path we recommend you fly down to Moa'ki in Dragonblight and get the flight path coordinates (48 , 74)

Step 2

From the Flight Master Cid Floundefix (48, 74) head South East towards the Frozen Sea and you will notice a small pillar sticking out of the water at coordinates (50, 68)
