# WoW fishing bot

Our **WoW Fishing Bot** duplicates the Same Movements of a Human Fishing, Without Anyone Actually Fishing. If you are looking for a wow fishing bot that is easy to use, full of features, updated for the latest patches, undetectable, and comes with 24/7 365 Member support. Then become a WoW-Fishing-Bot.net Member and download your wow fishing bot instantly.

## This WoW Fishing Bot is:

- **Undetectable** - This fishing bot is a pixel based fishing program so it is impossible to tell the difference between the fishing bot and a human being.
- **Easy to Use** - This fishing bot is in an easy to use GUI so there is no writing, editing, or compiling your own scripts. The average time to setup this fishing bot is less than 1 minute.
- **100% Safe** - Other fishing bots have trojans, keyloggers, or spyware. However our Fishing Bot is 100% safe backed up by our guarantee.

**Our World of Warcraft Fishing Bot will automatically perform the following actions:**

- Buff fishing pole with best available bobber/bait
- Cast fishing line
- Open bobber when fish is hooked
- Loot fish

**Additional Features Include:**

- After Hearth back to town / logout of World of Warcraft
- Fight Aggroing Mobs
- Beep on tells / logout on given amount of tells
- Take breaks
- Capture screenshots of tells received
- Change program title

**In this package we are including:**
